The screenshot shows a web application interface for a user's profile. At the top, there is a navigation bar with icons for Menu, Help, and Log Out on the left, and Back, Print, Add, Delete, Edit, and Save on the right. Below this is a header section with a bell icon and the text 'My Profile'. The main content area is titled 'My Profile' and includes a sub-header with links for 'Alert History', 'My Alerts', and 'Reset Password'. A mouse cursor is hovering over the 'Reset Password' link, which is circled in red. Below the header, there is a message: 'Feel free to edit your profile any time your information changes. Create your own personal alerts using My Alerts. Reset your password under Reset Password.' The profile information is displayed in a form-like layout with labels and values. The 'Name' field is split into Salutation (Ms.), First Name (Ava), Middle Name, and Last Name (Green). The 'Email' field is 'bsanem@mt.gov'. The 'Address' field is '301 S Park Ave'. The 'Phone' field is '406-841-2769'. The 'City' is 'Helena' and the 'State/Province' is 'Montana'. The 'Postal Code/Zip' is '59604'. There are also fields for 'Alternate Email', 'Alternate Phone', and 'Fax', all of which are currently empty.
