The Office of Tourism and Business Development supports innovative industries to grow businesses across the state, which strengthens Montana's economy and creates job opportunities for hard-working Montanans.

We can help with:

- Business planning to turn your innovative idea into opportunity
- Industry and market research
- Grants and loans for starting, growing or reconfiguring your business
- Domestic and international tradeshow assistance
- Connecting to local economic development services
- Connecting to capital resources
- Exporting to new, international markets
